You can expect tales of adventures
large and small. Hither and yon',
Some true – some True-ish.
Anne will bring along “Clementine Ryder”
that wild woman from the old west
to tell a story from Washington State.

These Oregon Tellers are no strangers to us, Norm and Anne have told frequently both individually and together in our area at PNW Folklife and other events, as well as at national Story Festivals and recently in a number of online shows. You can expect entertaining stories from this lively duo.
